also produced first class actors as they demonstrated during the Rodeo 104 parade

COUNCIL MEETING JUNE 21, 1965

Letter from Joint Use Committee.

Received a letter from the Joint Use Committee which read as follows:

Members:

Further to our meeting of May 19, 1965 and our earlier letter of April 26/65 in which seven points were given as a basis for a Joint Use Programme. The seven points contained therein were given unanimous approval by those present at the May 19th meeting, after certain amendments had been agreed upon. The seven points are again listed and include the amendments:

1. Ownership of land would remain with the participating local governing bodies, i.e. Town Council and School Boards.
2. All development costs on school lands to be borne by the School Boards, i.e. including top soil and such fixtures and equipment as might normally be placed on School lands.
3. Similarly, on Town lands, the development costs to be borne by the Town.
4. Overall design of adjoining properties (School property and Town property), to be responsibility of the Joint Use Committee.
5. Landscape development of Town and School lands to be up to the standards approved by the Joint-Use Committee.
6. Maintenance costs, including materials to be borne by the Town and such maintenance to be up to the standards approved by the Joint-Use Committee. Wilful damage by school children during school hours to be repaired at the full cost of the School board concerned.

Equipment and fixtures which require replacement because of usual depreciation will have the costs borne on the same basis as development costs under items 2 and 3 above.

7. It is recommended that a Committee of Seven members, consisting of the Mayor, the Chairmen of the two School Bds., the Secretary-Treasurer of the Town, the Superintendents of Schools and the Chairman of the Recreation Board, to be established to recommend the policy with respect to the governing of the Joint-Use Programme. This Committee to make use of advisors as it deems necessary. The Secretary-Treasurers of the two School Districts and the Parks and Recreation Superintendent of the Town to be regarded as permanent advisory staff.

We respectfully submit these amended points and hope that they will receive your early consideration.

THIS MONDAY NIGHT IS THE EVENING FOR THE ELECTORS

This Monday night at 8 p.m. in the St. Albert Community Hall, is the evening for the electors. During this political Rally, all candidates running for Mayor and Council will present themselves and their programmes to the electors. Our Chamber of Commerce is in charge of this Rally. Meet and hear your candidates so that you can vote with authority!

MUD HEROES RODEO 104

Let's pay tribute to the men of the St. Albert Rinsmen Club, who after 7 months of preparation, didn't hesitate to work day and night in the mud of the Rodeo grounds, to do everything possible to save Rodeo 104. And let's also pay tribute to the many men and women who also worked in the mud to fix their booths, despite the thunderstorms and rain of those days. All of them were working to help their clubs, which they want to be a healthy and living part of our community, serving the citizens as much as they can. Let's not wear sackcloth and ashes, but believe and work for an even better Rodeo 104 later this summer.

EXHIBITION GROUNDS

None of the mud workers would like to ever see a repetition of what they saw last week on the Rodeo 'mud' grounds. All of them are quite convinced that if the town needs one thing badly it is a paved "exhibition ground". We wholeheartedly agree, and we suggest that the whole recreation area with the \$650,000.00 swimming pool and arena should be paved, making it suitable to organize proper rodeos, fairs, exhibitions, etc., in our town. An interesting item for our new council! We hope to hear from them!

YES OR NO?

The executive of the St. Albert Rinsmen Club has planned another Rodeo later this year, on August 13 and 14th. Nothing is definite though and we will have to wait till their special meeting which will decide "yes" or "no". Of course we hope, for the sake of our town, that it will be yes. All the work that has already been put into this big affair should not be lost, but used and let us for a new rodeo this summer.

WED. NOV. 2008

- That when your hand reaches for the commonest or more exotic spice on your shelf you are virtually crossing to another continent? Spices have an important part in history - spices are romantic- spices turn an ordinary dish into a taste-tingling delight. Take the lowly mustard seed, sometimes used as a good luck charm besides its ordinary use. One of its main sources of supply is Canada - so Latin and Mall now cover the St. Lawrence, because the next part will be the United States where mustard seed is also imported from, next to romantic Italy, the Netherlands, Germany and lastly to West Germany.

Mustard seed used whole or dry has a distinctive sharp flavor. Used whole, it is used in pickles, salads, pickled meats and boiled fish. Powdered, it has many more uses as it is used in Chinese sauces, fish and oyster sauce, ham, kidneys, devilled eggs, breaded corn, sliced oysters, french asparagus, beef broccoli, cabbage, carrots, cabbage, celery, onions, white potatoes, snap beans, squash, cauliflower, mushrooms, and English mustard, and prepared mustard.

- That you can keep potato salad for two days, if left in the refrigerator. Yes, it can now be told, because I've just checked with Northwestern Utilities. So can your cucumber and rice salads. Here's more hints for potato salads- while your potatoes are still hot in the time to add your seasonings, salt & pepper, cooking oil (preferred to pop- ular green oil), as they go (say) dil- uted if you like, and sliced bacon gives an added flavor. This is also the time to mix in "fresh" dressing. Something too for us - all this is a preliminary

I.O.D.E.

The June meeting of the Father Lacombe Chapter I.O.D.E. was held on June 15, at the home of Mrs. R. Kanan. The St. Albert Public Library will shortly be presented a cheque for \$280.00 to purchase books. This money was realized from "Bouquets For Books" held by Chapter in May.

The Chapter has donated \$75.00 to the Crippled Childrens Camp to enable a crippled boy from St. Albert to attend camp for two weeks this summer. The next meeting of the Chapter will be held in September.

ST. ALBERT C.W.L. HOLDS TEA

The Lilac-decorated Roman Catholic Parish Hall was the scene recently of the annual C.W.L. tea. Guests were welcomed by the Council's Vice-President Mrs. M. Sutherland.

Mrs. Timperley, C.W.L. Diocesan President and Mrs. Melton, representing the National C.W.L. poured tea.

FOR COUNCILLOR

ROBERT H. PARKES

In offering my services to the electorate, I would like to give the following information about myself.

I am 50 years of age, married with three children, two of whom, Wendy and Sharon, attend school in St. Albert.

I am Head Office Supervisor with Alberta Government Telephones which fits me for the administrative nature of Council work.

I was born in Great Britain and came to Canada from South Africa in 1953 after 15 years there.

The last four years have been spent in St. Albert where my home at 16 Glenmore Crescent is my investment in this community.

To protect this investment and yours, I will strive for a sane, stable yet active town government, stressing the necessity for attracting industry,

supplying adequate town services and recreational facilities. Work with me to this end won't you?

Please take note that I am in now way related to any other candidate of similar name.

now. A very special thanks to Mrs. B. Donalds, Mrs. B. Isert, and Mrs. S. Adam. These ladies did a tremendous job, also most of the work. The monies collected here in St. Albert Totaled \$839.78. This was a marvelous response from our Town and we were commended for it.

- Thank you all once more.

NEW COLLECTIVE AGREEMENT

The Board of Trustees of the St. Albert Protestant Separate School Board has signed a new collective agreement with their teachers. The new agreement, which covers the period 1965 to 1967, provides for Teachers salaries as contained in the New Edmonton Public School Board Agreement.

Agreement was reached between Board and Teacher representatives after 1 negotiation meeting. Dr. Wm. Duto, Chairman of the Board, stated that he was delighted with the conduct of negotiations, and the fact that this two year agreement will give the Board and Teachers an opportunity to work together in an atmosphere free from the difficulties which negotiations create in Board/Teacher relations.

A GOOD SAVE

The local Fire Dept. were called out to a fire at 6 P.M. on Sunday. A chesterfield and chair was on fire in the basement of a home. This fire was set by children playing with matches, but with quick response by the Dept. very little damage resulted to the home.

This again should remind the parents to keep matches away from children, and prevent unnecessary fire loss.

Knights of Columbus

ST. ALBERT COUNCIL NO. 4742

ST. ALBERT K.C.s TO OPERATE
"KLONDIKE" CONCESSION BOOTH

The St. Albert Council of the Knights of Columbus will operate a concession booth at the Edmonton "Klondike Days" Exhibition, July 12th to 17th inclusive. The booth will be located just east of the Grandstand and will accommodate approximately 100 persons per sitting. A variety of meals, including hot dogs,

Hamburgers and a Klondike stew will be available, all at reasonable prices. Proceeds from the concession will be used to assist in the proposed recreation centre planned for St. Albert in the near future.

At least thirty volunteer workers are required for each days operation. Any St. Albert resident wishing to donate their services are asked to contact Mr. George Lee at 544-7511. Free admission tickets to the grounds will be given to each volunteer.

This marks the first year of what is hoped will be a yearly event for the St. Albert Knights of Columbus. Concession chairman Hector Robert extends an invitation to all St. Albert residents to satisfy their appetites at the K.C.'s booth when visiting Edmonton's Klondike Days Exhibition this year. In so doing you will be aiding the reconstruction of our town.

STURGEON HEALTH UNIT

"Announcement of Clinic Cancellation"

"The Sturgeon Health Unit announces that there will be no evening clinic during the month of July, 1965, as the doctors on July 2nd, 3rd and 4th will be on call."

MEMO FROM THE STURGEON HEALTH UNIT

Recently there have been several cases of whooping cough reported to the local health authority. Some cases have apparently NOT been reported cough, whooping cough is predominantly a childhood disease.

It is especially important that children less than 5 years old are protected from contact with known or suspected cases of whooping cough. This disease is a serious one for children under the 10 of age and may cause complications, especially in infants under 6 months of age. Some cases are mild and go unnoticed, but may still be spread to others. The disease must be diagnosed by your doctor. Watch for a cough with a violent cough and profuse mucous discharge which may be accompanied by vomiting.

WHAT YOU CAN DO:

1. If your child has not been vaccinated then NOW is the time to START.
2. COOPERATE BY FOLLOWING REGULATIONS. Once diagnosed, the case must be reported to the local health authority (Sturgeon Health Unit.)
3. If your child is under 5 years of age and has not had a booster shot at the past two years, bring him to the nearest clinic to have his protection reinforced. Whooping cough vaccine is not given to children over five years of age.
4. Any diagnosed case of whooping cough must be quarantined for 3 WEEKS from onset of cough.
5. Any suspected case should be seen by a doctor.
6. Keep your children in your own yard while there is a communicable disease present in your area.

Donald Sinclair

One of the nine candidates announced in last week's Gazette is Donald G. Sinclair. Mr. Sinclair has resided in St. Albert since 1961. He is married and has two young children. Since 1963 Mr. Sinclair has been employed as a purchasing agent for an Edmonton wholesale building supplies company. Prior to his appointment to his present position he was account-

ant and office manager for the same firm for 5 years.

Mr. Sinclair was born in Edmonton in 1934 and is the son of the late Dr. Robt. D. Sinclair, the Dean of Agriculture at the University of Alberta from 1942 to 1950. Don Sinclair is the brother of Bill Sinclair, the Federal Liberal candidate for Edmonton Strathcona.

Mr. Sinclair is presently completing his term of office as Charter Secretary of the Kinsmen Club of St. Albert and was recently elected a Director of the Kinsmen Club for the coming year. He is Co-chairman of the St. Albert Rodeo Committee and one of the most active members of the Rodeo Executive.

Mr. Sinclair is extremely interested in working on the development of a good public image for the Town of St. Albert.

DONALD SINCLAIR FOR COUNCILLOR

CHILDREN'S NEEDS

Due to the large number of children coming into the care of the Department of Child Welfare during the past few months there is urgent need for adoptive homes for children and infants. There is also a critical shortage of foster homes for babies and teen-agers. Anyone interested in providing care for any of these children may obtain further information by phoning the Edmonton Regional Office of the Dept. of Public Welfare at 429-7511.

Green Spaces Ideal Setting of Life

W. GATE, Parks Supt.

The scenery of the world of civilization is relaxing for the human being. It is an indispensable source of relaxation to the Town residents. Today the world is becoming so active due to automation, phones, cars, etc... Through observation we find mental disease increasing in number while the veg-

etation is diminishing. However, it should be noted that emanation provided by the countryside, the green color, the mobility of leaves, the singing of the birds, the soft light of the rural scenery, provide for the most disturbed mental patients, relaxation. So here appears the calming role of a friendly nature: picturesque country scenery, forests, plantation along the side of the road, Public Parks, and private gardens.

Green space constitutes an ideal frame of the environment for habitation. Public and private green space gives the Town beauty, and welcome. A belt of green area can give unity and stability to the scattered buildings, or bring some variety into any housing project.

In particular the tree is like a monument, with its size, its weighted branches, and its beautiful foliage; therefore, one of the best ornaments of the Town. It is the animated ornament which increases the value of the deadness of a structure; it softens the monotony of a flat frontage, the regularity of high walls, and the emptiness of space by its

volume and shape. It entirely changes the sight of a structure.

Today the planted green space becomes a necessity not only for the environment of our habitation, but also to do justice to the beauty of the whole Town by planting it with trees which are indispensable for hygienic, psychical, and esthetic purposes. The green planted space may be inside or outside of a Town. The first may be a private garden or urban park designed for different purposes. The second one: "nature", constitutes the countryside in the whole conception of its wilderness.

The trend today is toward original landscape; to bring the countryside into the Town, and to disperse the buildings in a horse shoe form at the periphery of this free green space. In general that system is completed by public gardens and sports fields, which are spread in each neighbourhood, mainly around schools.

The residential neighbourhood may be enclosed in the green space and separated from the industrial zones by large shelter belts well treed. Unanimously, more and more Town Planners realize the absolute necessity of the conservation of the existing trees. Unfortunately the danger of the destruction of treed areas is increasing for particular reasons. One such motive is industries which are coming closer and closer to the Town, causing the disappearance of the splendid scene of the countryside. I hope the public will become more conscious of the need for green space; which is necessary to provide for all citizens good health, relaxation, and spiritual elevation through this closer contact with nature.

"It takes a few minutes to destroy a tree, but to replace it, years are necessary."

RE-ELECT JOHN BAKKER AS COUNCILLOR TO COMPLETE HIS 3 YEAR TERM

John Bakker

John Bakker:

Is a resident of St. Albert since 1960
Has a wife and five children.
Was born 35 years ago in Holland.
Went to school in England.
Graduated in Civil Engineering in
Glasgow, Scotland.
Received his Master's degree at Purdue
University, U.S.A.
Was City Engineer in Moose Jaw, Sas-
atchewan.
Is a member of the Association of Pro-
fessional Engineers and the Engineer-
ing Institute of Canada.
Is now Associate Professor in Civil
Engineering, teaching traffic and
municipal engineering.
Was previously "elected" last October.

So far:

1. Worked towards the hiring of a qual-
ified and experienced Town Engineer
and succeeded.
2. Promoted the establishment of a
University at or near St. Albert
and a comprehensive study on this
matter is now being made by the
Edmonton Regional Planning Commis-
sion.
3. Objected to criticisms on personal-
ities of town employees appointed
by town council but encouraged
(and still encourages) that sugges-
tions and criticisms on ideas or
actions of Council will be sent
directly to council and/or council-
lors.
4. Tried but failed to have the issue
of the manager system placed be-
fore the electorate.
5. Opposed excessive fixed financial
allowances for attending conven-
tions and meetings. It was later
changed by Council that the mayor
or councillors can submit expenses
as incurred if attending meetings
out of town at the request of Coun-
cil.
6. Tried and succeeded to reduce the
number of committees of council.
7. Opposed the possible hiring of a
full time licensing inspector and
succeeded in having this position
combined with that of the already
existing position of building in-
spector.
8. Worked on the Hospital Committee
of the Chamber of Commerce.

PLATFORM

1. To have the issue of "the manager form of government" submitted to the
electors next October.
2. To oppose the by-law for the mayor's salary of \$6,000.00 since the man-
ager issue should be decided first by the electorate.
3. To maintain an independent approach to problems as they arise and to aim
at keeping personality conflict out of the issues and problems facing
the town.
4. To keep working towards a broader tax base for the community.
5. To keep up the efforts towards the establishment of a hospital in St.
Albert.
6. To protect the future development of St. Albert by working in closer
co-operation with the Regional Planning Commission - or in other words
Not growth at any cost but Planned Growth at no cost.
7. To encourage the maintenance and enhancement of the natural scenic
beauty of St. Albert.

Recreation Notes:

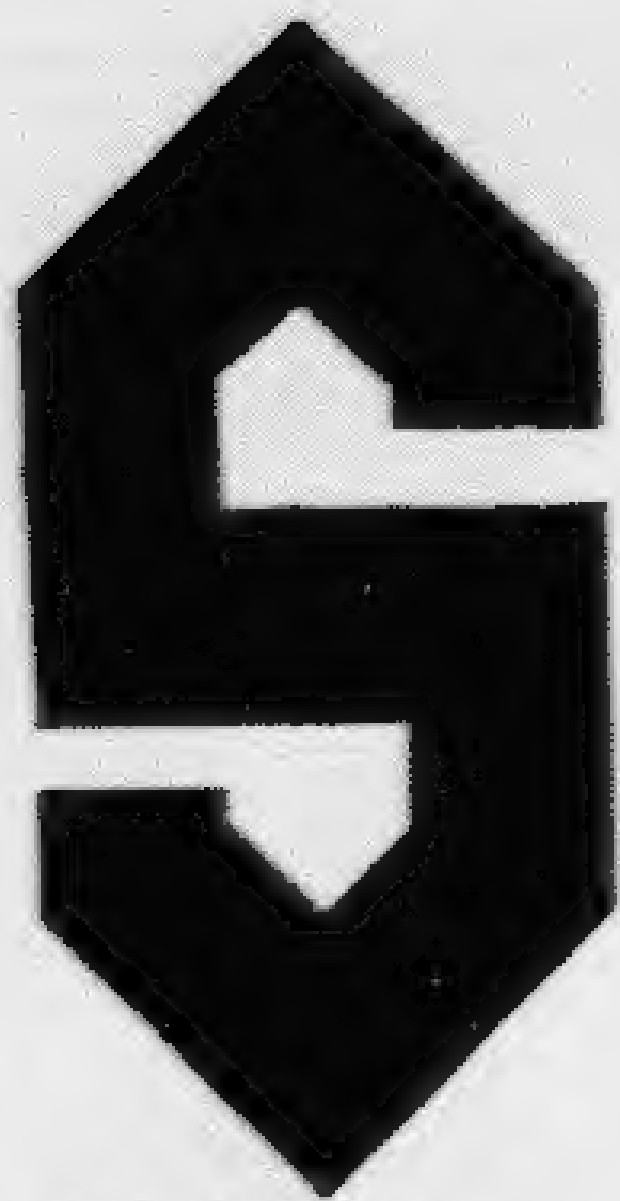

Playgrounds will be open July 5. Watch
next week for summer playground program
outline.

High School Students in grades 9-12 may
purchase tickets at the Fire Hall or
from members of the Recreation Club to
the Bash and Splash, to be held June 30.
Summer swim Program registrations ends
Friday June 5. Applications are availa-
ble at the schools or at the Fire Hall.
Our congratulations to Hercules for their
outstanding road race last week. We hope
this becomes an annual event and grows
each year.
Our sympathy to the Kinsmen Club, and
our dislike to the Weather Man.
Also Donna Crossley is the lucky winner
of a free swim ticket entitling her to
free swimming lessons this summer. Donna
has chosen the name "Andy" for the swim
Bentle. The official presentation of the
ticket will be made at the office of
the Recreation Director in the Fire Hall.

We would like to thank all who partici-
pated in this contest.
